Corporate Membership

This category of membership is suitable for corporate organisations that have a commercial, cultural or social interest in architecture. Government authorities and cultural institutions all have aspects of this interest. Firms of architects, designers, engineers, planners, developers, builders or building products suppliers will have this as a core part of their business.

By supporting the AAA, your organisation will be known for helping the promotion of good architecture and the enhancement of the built environment.

There are 3 tiers of Corporate Membership: Corporate, Black Corporate and Major Black Corporate.
